

Lockheed Martin
**Proposal No. 7 – Stockholder Proposal to Issue a Report on the Company’s Intention to
Reduce Full Value Chain GHG Emissions**

Annual Meeting: April 27, 2023

CONTACT: Robert Fernandez, Breckinridge | rfernandez@breckinridge.com

SUMMARY

As the lead investor of the Climate Action 100+ Lockheed Martin collaborative engagement, Breckinridge supports the flagging of the 2023 resolution on GHG reduction targets filed by As You Sow at Lockheed Martin. The resolution is aligned with the expectations and goals of the Climate Action 100+ engagement.
